**Use this fun, colorful kit for numerous educational and recreational activities!**

The Picture Maker Kit includes a felt covered board and a wide variety of hook-loop backed pieces that attach to the board in an infinite number of patterns. Features over 100 pieces in many shapes, sizes, textures, and colors. Extra hook-loop material is provided for helping to create additional tactile pieces. The included large print/braille guidebook has suggestions and example layouts in print and raised-line graphic form.

## Example Activities

- **Mapping:** streets, homes, offices, etc.
- **Charting:** flow charts of organizations, family trees, processes, etc.
- **Basic concepts:** shapes, numbers, geometry, etc.
- **Art:** provides a wonderful palette of shapes, textures, and colors to create your personal “masterpiece”

Use optional Picture Maker products, like Textured Strips or the Geometric Textured Strips for more activities.
